Answer:

Explanation:

Explanation/Reference:

Explanation:

Hyper-V integration services are updated with a new service that allows Hyper-V administrators to copy files to the virtual machine while the virtual machine is running without using a network connection.

In previous versions of Hyper-V, a Hyper-V administrator may have needed to shut down a virtual machine to copy files to it. 13 _income = income;
14 _payment = payment;
15 _balance = balance;
